Read the Instructions to make sure you are eligible to enroll.

2014-2015 Admission Instructions

- Only one admission request is needed per family.
- If you have more than one student, click on "Add Student" to add an entry line for each additional student.
- For each student select the grade he/she will be attending for the **2014-2015** school year.
- If your oldest student will not be in kindergarten in the 2014-2015 school year, please do not apply until Open Enrollment of the year he/she will be in kindergarten. Enrolling sooner than this does not increase his/her chance to be in the school.
- Please include your student's full name, including middle name if applicable.
- Your student(s) must be 5 years old on or before September 1, 2014.
- Guardian Information: Must be legal guardian to complete this application.
